

QUALITY POLICY

Accrofab Alcester embraces our RISE values which paves our way to the Accrofab Group ambition to redefine the expectations of our customers, employees, and shareholders.

RESPECT - We encourage **open reporting** and active listening ensuring all personnel have a voice to express opportunities or concerns whether it be people, product, or process. This supports us in understanding our **human factors**.

INTEGRITY - We act with integrity, demonstrating honesty, consistency, and trustworthiness across all interested parties meeting compliance to applicable requirements.

SAFETY - We prioritise **product safety**, effectively communicating all risk, removing, and mitigating risks from our products and processes.

EXCELLENCE - We strive for excellence in everything we do, continually improving the integrated management system through teamwork ensuring we are agile and respond effectively to change, enabling us to achieve the desired impact.

Our RISE values support Accrofab in building a robust “JUST” culture, driving our **Zero-Defect strategy**. Processes have defined ownership which enables key objectives to be developed, monitored, and improved upon through the Accrofab Operating System whilst also ensuring accountability and discipline throughout the business.

QUALITY IS EVERYONE’S BUSINESS

Ed Ashworth

Managing Director - UK Fabrications

Daniel Warrington

Quality & Environmental Manager
